

Why travel with us

Gourmet Food

Discover the local cuisine. Special cooking classes for you and gourmet meals prepared fresh daily by a professional chef specifically for your pet.

Expert Dog Escort

Our itinerary has been designed so your little best friends can have fun as well! When visiting sites where dogs are not allowed, we will happily take care of them

Pet Photo Shoot

A professional photographer will be at your disposal for 30 minutes to take memorable pictures of you and your dog on location.

Local Expert Guides

Our English speaking licensed guides will help you explore unique and amazing sites.

Deluxe Hotels

We've selected deluxe sanitized accommodations, located in the stunning countryside, with your fur babies in mind so they can feel pampered as well!

Travel Like a Local

You will experience the local way of living, away from crowds of tourists. An experience of a lifetime to enjoy with your dog and likeminded people.

Small Group - 14pp

Only 14 like-minded people. We will take our time, not rush through places, with time to enjoy our meals and time to relax. We call it slow travel!

Veterinarian on call

In case of emergency you will have an immediate consultation with a medical expert to ensure your dog is receiving the best care.

Deluxe Transportation

Travel in a first class minibus with sanitized air conditioning and extra room for your pet beside you!

The Only Private Tour Vacation designed With Your Dog In Mind

Pet Friendly Journeys was created for one single reason - to provide all pets and pet parents the services, care, experiences and support they need and deserve while enjoying a memorable vacation.

Visits to world-famous destinations, enjoy wine tastings and cooking classes also designed for your dog!

We provide first class transportation, private English speaking guides, skip-the-line entrance tickets, dog sitters, unique experiences, lunches and dinners also for your pet!
